Medical Home

Reduce/**E**liminate hospital admissions/visits

Reduce and **E**liminate missed school or work

Improve and **M**aintain child development

Educate children and families

Have **c**omprehensive information about patient's healthcare activity

Our Medical Home model of Pediatrics encompasses **FIVE MAIN PILLARS**

Comprehensive Care wholly accountable for patient's physical and mental health care needs through a team-based approach to care, including prevention and wellness, acute care and chronic care.

Patient-Centered Care molded to the patient and their wants, needs, culture, preferences, and values. Providing the education and support to participate in their own care.

Coordinated Care of the patients across all elements of the health care system, such as specialty care, hospitals, home health care, and community services, with an emphasis on efficient care transitions.

Accessible Services allow patients to access services with shorter wait times, enhanced office hours, and 24/7 telephone access to a physician.

Quality & Safety through the use of health IT and other tools to ensure that patients and families make informed decisions about their health.

We **strive** to provide the most **advanced & up-to-date** quality of care

The Future

Dear Parents

The journey of raising children may be overwhelming at times. The road ahead will have its bumps and turns but we will be here every step of the way. As parents, we all desire the best for our children: the best family situation, the best education, and here at All Pediatric Care, you will find our commitment, our passion, and our utmost dedication to provide you with the best and most compassionate medical care. Our staff pledge to provide your child with the best possible care throughout their young lives, "from babies to teens and all in-betweens." All of our board certified pediatricians will be available to you and your child 24 hours a day!

On behalf of myself and my staff I would like to thank you for considering us to become a part of your family's healthcare. We look forward to providing the best and most compassionate care needed to keep your child healthy throughout their young lives....
